**Request for Proposal
For
Health Sector Post-Disaster Needs Assessment of Bhotekoshi Flash Flood**

One Heart Worldwide, *on behalf of the Association of International NGOs in Nepal (AIN)*, is seeking proposals from interested research agencies to conduct a ***Health Sector Post-Disaster Needs Assessment of Bhotekoshi Flash Flood***. The needs assessment aims to systematically assess the health impacts, unmet needs, service disruptions, health-system damage, vulnerabilities, and recovery priorities in the highly affected and affected municipalities.

Please submit your technical and financial proposals in separate envelopes by **September 18, 2026, 5:00 PM NST** with the title "**Request for Proposal: Health Sector Post-Disaster Needs Assessment of Bhotekoshi Flash Flood**".

Terms of Reference of the assignment can be accessed here at link: [TOR](#)

OHW & AIN members involved in the consultant hiring process reserves the right to accept or reject any or all proposals without assigning any reason whatsoever. The proposals received after the deadline will not be considered for evaluation.
